

RENTAL LICENSE APPLICATION

The use of this application is to either begin the process of licensing a property that is not currently a rental property, or to change the property owner of record on an existing licensed rental property which will continue as a licensed rental property. **This application should not be used for the “renewal” of an existing rental property.**

- ✓ Rental Licenses are non-transferable between owners
- ✓ Rental Licenses are renewed bi-annually

Enclosed you will find:

- **The Rental License Application:** The OWNER of the property is required to fill out ALL the information and sign the application. Payment can be made by check or credit card. Credit card page is included. *Please submit this application to Robbinsdale City Hall along with payment.*
- **Rental License Fees:** Enclosed is the fee schedule that explains all regular and prorated fees.
- **Rental Inspection Requirements:** These are the items that the Housing Inspector will look for when inspecting the property. Inspections occur on a bi-annual basis. All rental properties are required to pass the rental inspection of the property in order to maintain the rental license. Please schedule this inspection as soon as you can.
 - NEW conversion inspections must pass before tenants move in.
 - Existing Rentals with new owners must complete a “new owner walk-thru” with the Housing Inspector. The bi-annual inspection schedule will stay the same.
 - All deficiencies from inspections need to be corrected within 30 days and re-inspected.

All rental property owners or agents are required to attend the mandatory **Rental Orientation Class** that is offered quarterly. You will be notified of the date and time of the next class. You must attend this class within 6 months of application.

Please read all information carefully. Should you have any questions or concerns regarding fees, inspections or new ownership of a property please contact the number or email address below.

Rental Inspection & Re-Inspection Requirements:

A City inspection is required on the rental property *before* the property can be occupied or a rental license issued. To schedule an inspection, please call 763-531-1267. It is the cities expectation is that all deficiencies will be corrected within 30 days of initial or bi-annual inspection. The Rental Dwelling License will *not* be issued if there are unpaid utilities, and/or prior year’s property taxes owed, and/or the rental dwelling and its premises do not conform to the ordinances of the City of Robbinsdale and the State of Minnesota. Corrections required for the occupant’s safety must be completed *before* the license will be issued and *before* the rental dwelling is occupied. **Renting without a license is a Level V code violation - \$400 Citation.**

Rental License Application Fees

FEES: Fees are determined by resolution of the Robbinsdale City Council. According to City Ordinance 425.31; the license application and fee(s) are required *before* the license can be processed. All rental licenses expire at the end of a *calendar* year, either an odd or an even year. Bi-annual license fees are prorated throughout the 2-year (24 month) licensing cycle. However, the “New Rental Conversion Fee” or the “Change in Ownership” is *not* prorated. If you are unsure of the license fee or have further questions, please call 763-531-1267 or 763-531-1261 before submitting this application. Checks received with the incorrect fee amount delays your application process.

The Rental Housing Inspection commonly includes the following items:

Interior Rooms

- **Condition of stairways, hand and guardrails including height and spacing. Lighting over stairs. Provide proper handrail and guardrails.**
- **Smoke and Carbon Monoxide Detectors are in the right places and are functioning properly.**
- General condition of the floors, walls and ceilings.
- Heating system, heat distribution. General level of maintenance.
- Water heater, water heater venting, general condition, water pipes and drain lines, leaks, improper repairs, proper venting and general condition of plumbing fixtures.
- Gas fired appliances, their flues and gas lines including yard grills.
- Open gas lines and proper shutoffs.
- Dryer exhaust venting and condition.
- Electrical panel, grounding of system, improper branch wiring, condition and grounding of electrical devices, cover plates.
- General conditions of habitable rooms and proper room sizes. Electrical cover plates, excessive rubbish or storage preventing normal room maintenance. Required heat source for all habitable rooms.
- Compliance with occupancy standards (overcrowding, excessive fire load).
- Kitchen conditions including sanitation, food prep surfaces, range, microwave, refrigerator, walls, cabinets, appliances and floor.
- Bathroom conditions including sanitation, leaks and fixture condition, ventilation, walls and floor.
- Level of attic insulation, if accessible.
- Window operation. Painted shut, broken sash ropes, drop hard, sash locks, clear openings in sleeping rooms (egress windows) etc.
- Storm doors (if present) and condition, missing parts, damage, deadbolts at main entry doors. Patio door locks.

Exterior / Grounds

All exterior surfaces, including but not limited to, siding, roofs, foundations, doors, door and window frames, cornices, porches, trim/fascia, balconies, decks, fences and accessory structures must be maintained in good condition and be structurally sound so as not to pose a threat to health, safety or welfare.

- **The most common problem found in rental properties is the accumulation and improper management of trash, refuse or rubbish.** Rubbish issues, exterior storage, trash and recycle cart management and their placement. Includes materials between garages or inside window wells, or in the public street right-of-way.
- Height and condition of incoming electrical lines, electrical mast head, trees touching electrical lines. Condition of exterior electrical wiring, garage wiring. No extension cords used in-lieu of permanent wiring.
- Grass / weeds over 8" tall. Condition of fences. Improper composting operations, brush piles, lack of "ground cover" such as grass. Trees touching roofs. General grading and pitch of walks, patios to shed water away from the dwelling.
- Condition of walks, driveways, stoops, steps, hand and guardrails, decks, gutters and downspouts. Gutter systems are not required, but minimum standards apply if present.
- Loose, missing or decayed siding, trim on all structures including condition of doors and jambs. Damaged roofing material.
- General level of maintenance at all windows including screens, missing paint / putty, broken, missing, or cracked glass.
- Excessive peeling or missing paint. Condition of chimney.
- Escape access and ladders (if required) at egress wells.

Garages

- Interiors are inspected if renter has access and if there is electrical power in the garage. Two spaces are required if the dwelling is a single family home, part of a two family dwelling, or a townhouse. 1.5 (off-street) vehicle parking spaces are required for each apartment rental dwelling.
- Exterior of garages are inspected as described above in exteriors/grounds.

*Call the Rental Housing Inspector at 763-531-1261 for specific inquiries about your situation.
All Corrections are to be complete within 30 days of initial or bi-annual inspection.*
