

Section 550.25

Section 550.25 "FP" Flood Plain District. Subdivision 1. The "FP" Flood Plain District shall consist of all lands designated as either a numbered or unnumbered A zone by the Flood Plain Insurance Rate Map contained as part of the Flood Insurance Study prepared by the Federal Insurance Administration. These lands correspond to the following areas:

(a) That area abutting Grimes Avenue Pond and Rice Lake, north part, on all sides at an elevation equal to or less than 838 feet.

(b) That area abutting Rice Lake, south part, on all sides at an elevation equal to or less than 832 feet.

(c) That area abutting Crystal Lake on all sides at an elevation equal to or less than 855 feet.

(d) That area abutting Ryan and Twin Lakes and adjoining water course on all sides at an elevation equal to or less than 856 feet.
